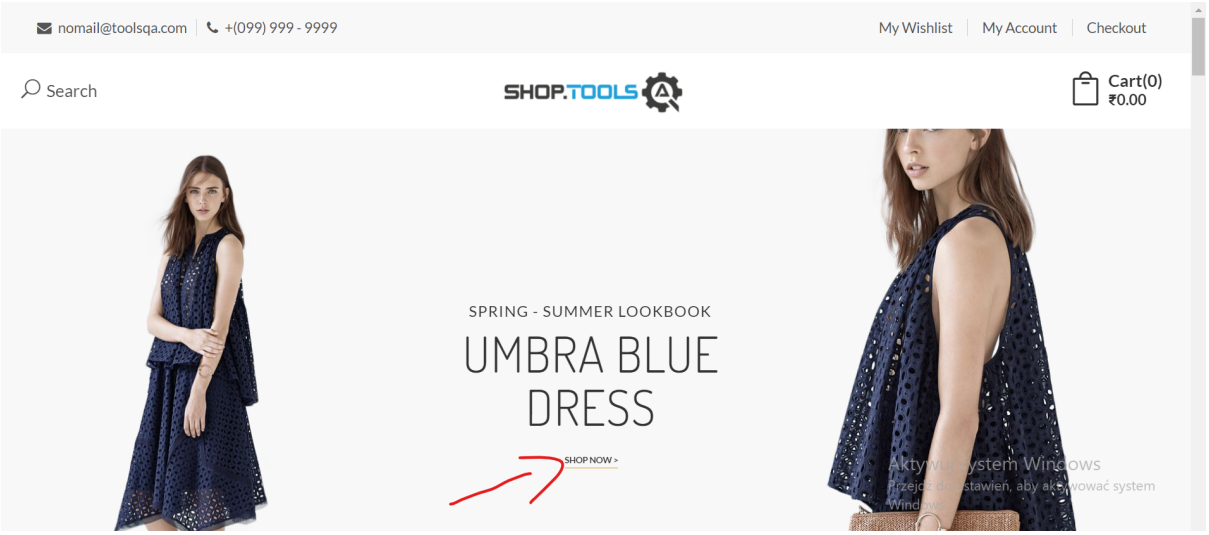
THE EXPECTED RESULT:

The request was fetched correctly - get method.

2)'Shop Now' button not working



ENTRY:

The 'Shop Now' button on the homepage is not working.

STEPS TO REPRODUCTION:

Enter the homepage of the store

Click on 'Shop Now'

ACTUAL RESULT:

The button doesn't work, the website address doesn't change = it doesn't take a client to the tab with clothes to buy.

THE EXPECTED RESULT:

The button takes a client to the page/tab with clothes to buy.

3)No full browser menu

ENTRY:

When the store page is enabled, there is no main menu - where the customer can choose where he wants to go (e.g. women's clothing category).

STEPS TO REPRODUCTION:

Store opening (page)

ACTUAL RESULT:

There is no menu.

THE EXPECTED RESULT:

A client see a menu.

4)No text in the menu when the screen is small viewport

<nagrane wideo>(pdf nie obsługuje)

ENTRY:

With the store open on a small viewport screen/browser window, after pressing the 'menu' icon, an empty tab appears on the left side - without a detailed menu.

STEPS TO REPRODUCTION:

Make the browser window smaller (e.g. to half the screen)

Store opening (page)

Press the menu icon

ACTUAL RESULT:

A blank tab appears on the left side of the screen.

THE EXPECTED RESULT:

A tab appears with a visible menu for selecting categories.

5)Incorrect a validation message in password field

<nagrane wideo>(pdf nie obsługuje)

ENTRY:

A validation message about the power of password is changing incorrectly.

STEPS TO REPRODUCTION:

Open a website of shop

Go to My Account page

Write in the Register panel in ‘password’ any password with a different length.

ACTUAL RESULT:

A validation message is changing incorrectly

THE EXPECTED RESULT:

A validation message is changing correctly (according to A.C.)

6)Incorrect text placement

ENTRY:

The text ‘May 4’ is in incorrect place.

STEPS TO REPRODUCTION:

On the main page go down to Fashion News.

ACTUAL RESULT:

The text “May 4” is on the wrong side.

THE EXPECTED RESULT:

The text “May 4” is on the left side - according to design.
